

**CRESCENT ENERGY COMPANY  
CHARTER OF THE AUDIT COMMITTEE  
OF THE BOARD OF DIRECTORS**

The Board of Directors (the “Board”) of Crescent Energy Company (the “Company”) has established the Audit Committee of the Board (the “Committee”) with authority, responsibility and specific duties as described in this Audit Committee Charter (this “Charter”).

**I. PURPOSES**

The purposes of the Committee are to:

- A. Provide assistance to the Board in fulfilling its responsibility with respect to its oversight of:
  - (i) the quality and integrity of the Company’s financial statements;
  - (ii) the Company’s compliance with legal and regulatory requirements;
  - (iii) the independent auditors’ qualification, independence and performance; and
  - (iv) the performance of the Company’s internal audit function.
- B. Directly appoint, retain, review and terminate the Company’s independent auditors.
- C. Prepare an Audit Committee report that the U.S. Securities and Exchange Commission (the “SEC”) requires to be included in the Company’s proxy statement or information statement, if applicable.

**II. STRUCTURE AND OPERATIONS**

Independence Requirements

The Committee shall be comprised of three or more members of the Board, each of whom is determined by the Board to be “independent” under the rules of the New York Stock Exchange, Inc. (the “NYSE”) and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”); provided, however, that this requirement is subject to the transition periods and applicable exemptions for audit committee member independence requirements as set forth in the NYSE Listed Company Manual and to an election by the Company to rely on applicable transition periods under the rules of the NYSE and the SEC. Notwithstanding the foregoing membership requirements, no action of the Committee will be invalid by reason of any such requirement not being met at the time such action is taken.

Financial Literacy & Expertise Requirement

All members of the Committee must be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. At least one member of

the Committee must have “accounting or related financial management expertise” in accordance with the rules of the NYSE. At least one member of the Committee must be an “audit committee financial expert” as defined by the SEC and may be the same person as that with “accounting or related financial management expertise.”

#### Limitation on Memberships of other Audit Committees

No member of the Committee may serve on the Audit Committee of more than three public companies, including the Company, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and the Company’s annual report on Form 10-K or proxy discloses such determination. Notwithstanding the foregoing membership requirements and subject to applicable law, no action of the Committee will be invalid by reason of any such requirement not being met at the time such action is taken.

#### Appointment and Removal

Subject to the Amended and Restated Bylaws, dated December 7, 2021 of the Company and any applicable agreement to which the Company is a party regarding appointment to the Committee, each member of the Committee shall be appointed by the Board and shall serve until such member’s successor is duly elected and qualified or until such member’s earlier resignation or removal. The members of the Committee may be removed, with or without cause, by a majority vote of the Board. Any vacancy on the Committee will be filled by, and any member of the Committee may be removed by, an affirmative vote of a majority of the Board. If a Chairperson is not designated by the Board or present at a meeting, the Committee may designate a Chairperson by majority vote of the Committee members then in office.

#### Chairperson

Unless a chairperson of the Committee (the “Chairperson”) is selected by the Board, the members of the Committee shall designate a Chairperson by the majority vote of the full Committee membership. The Chairperson will chair all regular sessions of the Committee and set the agendas for Committee meetings. In the absence of the Chairperson, the Committee shall select another member to preside.

#### Subcommittees

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate and consistent with applicable law. Each subcommittee will keep minutes and regularly report to the Committee.

### III. AUTHORITY AND RESPONSIBILITIES

#### Overview

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities outlined in Section I of this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt

additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. These functions are the sole responsibility of the Committee and may not be allocated to a different committee, other than a subcommittee of the Committee. The Committee shall also carry out any other responsibilities delegated to it by the Board from time to time related to the purposes of the Committee outlined in Section I of this Charter.

#### Review of Financial and Other Information

1. Review and discuss with Management and the independent auditors prior to public dissemination the Company's annual audited financial statements and quarterly financial statements, including the Company's specific disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," any comments or recommendations of the independent auditor and any reports of the independent auditor with respect to interim financial reviews as required by Auditing Standard No. 4105, "Reviews of Interim Financial Information" (or any amended, supplemental or successor standard), and recommend whether the audited financial statements should be included in the Company's Form 10-K for the fiscal year subject to the audit.
2. Discuss with the independent auditors the matters required to be discussed by Auditing Standard No. 1301, "Communications with Audit Committees" (or any amended, supplemental or successor standard).
3. Review and discuss with Management prior to dissemination: (i) the Company's earnings press releases and (ii) financial information and earnings guidance, if any, provided to analysts and rating agencies. The Committee's discussion in this regard may be general in nature (i.e., discussion of the types of information to be disclosed and the type of presentation to be made) and need not take place in advance of each earnings press release or each instance in which the Company may provide earnings guidance.
4. Perform any functions required to be performed by it or otherwise appropriate under applicable law, rules or regulations, and the resolutions or other directives of the Board, including review of any certification required to be reviewed in accordance with applicable law or regulations of the SEC by the Committee. Review and discuss with Management and the independent auditors the Company's disclosure controls and procedures and internal control over financial reporting. The review and discussion of internal control over financial reporting shall include any significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to affect the Company's ability to record, process, summarize and report financial information, any fraud involving Management or other employees with a significant role in internal control over financial reporting, any actions taken in light of material control deficiencies and the adequacy of disclosures about changes in internal control over financial reporting.

## Independent Auditors

5. Be directly responsible for the appointment, compensation, retention, oversight and termination of any independent auditors engaged (including the resolution of disagreements between Management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.
6. Inform each independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company that such auditor must report directly to the Committee.
7. Review, at least annually, the qualifications, performance and independence of the independent auditors and present its conclusions with respect to the independent auditors to the full Board. In conducting its review and evaluation, the Committee should:
  - (i) obtain and review a report by the Company's independent auditors describing:
    - (a) the auditing firm's internal quality-control procedures;
    - (b) any material issues raised by the most recent internal quality-control review, or peer review, of the auditing firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditing firm, and any steps taken to deal with any such issues; and
    - (c) all relationships between the independent auditors and the Company in order to assess the auditors' objectivity or independence;
  - (ii) review and evaluate the lead audit partner of the independent audit team;
  - (iii) confirm and evaluate the rotation of the audit partners on the audit engagement team as required by law;
  - (iv) confirm with the independent auditor that the audit partners do not earn or receive any compensation based on selling engagements to the Company to provide any services to the extent such compensation would compromise the independence of accountants or auditors under the rules promulgated by the SEC; and
  - (v) take into account the opinions of Management and the person or persons responsible for the internal audit function for the Company, which may include someone who is not an employee or executive of the Company, its external manager or their affiliates but performs such function on behalf of the Company (the "Internal Audit Group").

## Pre-Approval of Auditor Engagements

8. Approve in advance any audit or non-audit engagement or relationship between the Company and the independent auditors, other than “prohibited non-auditing services,” as determined from time to time by the SEC, the Public Company Accounting Oversight Board or the NYSE through regulation or listing requirements.

The Committee may:

- (i) pre-approve audit and non-audit services based on policies and procedures adopted by the Committee, provided: (a) the policies and procedures are detailed as to the particular service, (b) the Committee is informed of each service on a timely basis, (c) such policies and procedures do not include delegation of the Committee’s responsibilities to Management and (d) such policies and procedures are disclosed in the Company’s annual reports; and/or
- (ii) delegate to one or more of its members the authority to approve in advance all audit or non-audit services to be provided by the independent auditors so long as decisions made by such member or members are presented to the full Committee at the immediately subsequent scheduled meeting.

Notwithstanding the foregoing, pre-approval is not necessary for minor non-audit services if:

- (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its auditors during the fiscal year in which the non-audit services are provided;
- (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services; and
- (iii) such services are promptly brought to the attention of the Committee and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Committee.

## Financial Reporting Process

9. In consultation with the independent auditors, Management and the Internal Audit Group, review the integrity of the Company’s financial reporting processes, both internal and external. In that connection, the Committee shall, prior to the filing by the Company of its annual report and at such other times that the Committee deems appropriate, obtain and discuss with Management and the independent auditors reports from Management and the independent auditors regarding:

- (i) applicable critical accounting policies and practices to be used by the Company;
  - (ii) analyses prepared by Management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including alternative treatments of financial information within generally accepted accounting principles related to material items that have been discussed with Management, the ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the independent auditors;
  - (iii) major issues regarding accounting principles and financial statement presentations, including significant changes in the Company's selection or application of accounting principles;
  - (iv) major issues as to the adequacy of the Company's internal controls and specific audit steps adopted in light of any material control deficiencies; and
  - (v) other material written communications between the independent auditors and Management.
10. Review periodically the effect of regulatory and accounting initiatives, as well as off-balance sheet structures on the financial statements of the Company.
11. Review with the independent auditors audit problems or other difficulties encountered by the auditors in the course of the audit work, including any restrictions on the scope of the independent auditors' activities or on access to requested information, and significant disagreements with Management and Management's responses to such matters. Without excluding other possibilities, the Committee may wish to review with the independent auditors:
- (i) accounting adjustments that were noted or proposed by the auditor but were "passed" (as immaterial or otherwise);
  - (ii) communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement; and
  - (iii) material written communications between the independent auditors and Management, such as any schedule of unadjusted differences or any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditors to the Company.
12. To the extent applicable, review and discuss with Management and the independent auditors the policies and procedures in place to ensure the quality and integrity of the financial statements of the Company's unconsolidated subsidiaries and investments that are accounted for under the equity method of accounting are properly reflected and accounted for in the Company's financial statements.

13. Discuss with Management and the independent auditors correspondence with regulators or governmental agencies and published reports which raise material issues regarding the Company's financial statements or accounting policies.
14. Periodically review and discuss with the Company's General Counsel legal matters that may have a material impact on the Company's financial statements or compliance policies.
15. Obtain from the independent auditors assurance that Section 10A(b) of the Exchange Act has not been implicated.<sup>1</sup>

#### Internal Audit

16. Review the appointment and replacement of any senior internal auditing executive.
17. Review the significant reports to Management prepared by the Internal Audit Group and Management's responses.
18. At least annually, evaluate the performance, responsibilities, budget and staffing of the Internal Audit Group and review the internal audit plan. Such evaluation shall include a review of the responsibilities, budget and staffing of the Internal Audit Group with the independent auditor.

#### General

19. Set clear hiring policies for employees and former employees of the independent auditors. At a minimum, these policies must prohibit:
  - (i) the hiring of members of the audit engagement team of the Company's independent auditors in a position at the Company which would cause the auditing firm to no longer qualify as independent under the rules promulgated by the SEC; and
  - (ii) the hiring of any employee or former employee of the Company's independent auditor or any firm providing the Company with internal auditing services in a financial oversight role without the prior approval of the Committee.
20. Review and discuss, at least quarterly in connection with the review of the Company's quarterly financial statements, with Management, the independent auditors and the persons responsible for the Internal Audit Group, the areas of material risk to the operations and financial results of the Company, including major financial risks and exposures, and the Company's guidelines, policies and Management's efforts with respect to risk assessment and risk management.

---

<sup>1</sup> Section 10A(b) of the Exchange Act governs situations in which a registered public accounting firm in the course of its audit detects or otherwise becomes aware of information indicating that an illegal act has or may have occurred.

21. The Committee will regularly review and discuss with Management the Company's privacy and cybersecurity risk exposures, including: (a) the potential impact of those exposures on the Company's business, financial results, operations and reputation; (b) the steps Management has taken to monitor and mitigate such exposures; (c) the Company's information governance policies and programs, including the Company's incident response and disaster recovery plans; and (d) major legislative and regulatory developments that could materially impact the Company's privacy and cybersecurity risk exposure. The Committee will regularly report to the Board the substance of such reviews and discussions and, as necessary, recommend to the Board such actions as the Committee deems appropriate.
22. Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters and for the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. Neither the Board nor the Committee, any other committee of the Board, Management or any other person or group shall retaliate, or tolerate any retaliation by the Board, the Committee, any other committee of the Board, Management or any other person or group, directly or indirectly, against anyone who, in good faith, reports such a concern or provides assistance to the Committee, Management or any other person or group, including any governmental, regulatory or law enforcement body, investigating such a concern.

#### Preparation of Reports

23. Prepare all Audit Committee reports required to be included in the Company's proxy statement or information statement pursuant to and in accordance with applicable rules and regulations of the SEC, if applicable.
24. Report regularly to the Board:
  - (i) with respect to any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditors or the performance of the Internal Audit Group;
  - (ii) with respect to such other matters as are relevant to the Committee's discharge of its responsibilities; and
  - (iii) with respect to such recommendations as the Committee may deem appropriate.

The report to the Board may be written or take the form of an oral report by the Chairperson or any other member of the Committee designated by the Committee to make such report.

25. Maintain minutes or other records of meetings and activities of the Committee.

## Outside Advisors and Funding

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate. In this regard, the Committee shall have the authority to engage independent counsel and other advisors, as it determines necessary to carry out its duties. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and any advisors that the Committee chooses to engage, as well as funding for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying on its duties.

## Access

The Committee, in discharging its oversight role, shall be given full access to all of the following:

- (i) all persons included in the Internal Audit Group;
- (ii) the Board;
- (iii) all employees of the Company and its subsidiaries; and
- (iv) the independent auditors;

in each case, as necessary, to carry out these responsibilities.

## IV. MEETINGS

The Committee shall endeavor to meet at least quarterly, or more frequently as circumstances dictate. As part of its goal to foster open communication, the Committee shall periodically meet separately with each of the following:

- (i) Management of the Company (as defined below);
- (ii) the Internal Audit Group; and
- (iii) the independent auditors of the Company;

in each case, to discuss any matters that the Committee or any of these groups believe would be appropriate to discuss privately. In addition, the Committee should meet with the independent auditors and Management periodically to review the Company's financial statements in a manner consistent with that outlined in Section III of this Charter. "Management" shall mean, collectively, the president, vice president, secretary, treasury or principal financial officer, comptroller or principal accounting officer, and any person routinely performing corresponding functions with respect to the Company or the consolidated subsidiaries of the Company as a group, including but not limited to the Chief Executive Officer, the Chief Operating Officer, the Chief Financial Officer, the General Counsel, any Vice Presidents and the other officers of the Company.

At all meetings of the Committee, a majority of the members shall constitute a quorum for the transaction of business and the act of a majority of Committee members at any meeting at which there is a quorum shall be an act of the Committee. The Chairperson or any member of the Committee may call meetings of the Committee. All meetings of the Committee may be held telephonically. In addition, any action required or permitted to be taken at any meeting of the Committee may be taken without a meeting if a consent in writing or by electronic transmission to such action is given by each member of the Committee and is filed with the minutes of proceedings of the Committee. In addition, the Committee may invite to its meetings, or communicate with, any director, officer or employee of the Company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

#### V. ANNUAL PERFORMANCE EVALUATION

The Committee shall perform a review and evaluation, at least annually, of the performance of the Committee and its members, including by reviewing the compliance of the Committee with this Charter. In addition, the Committee shall review and reassess, at least annually, the adequacy of this Charter and recommend to the Board any improvements to this Charter that the Committee considers necessary or valuable. The Committee shall conduct such evaluations and reviews in such manner as it deems appropriate.

#### VI. LIMITATION OF RESPONSIBILITY; FEE REIMBURSEMENT

Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit and reviews, including reviews of the Company's annual financial statements, reviews of the quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures.

In fulfilling their responsibilities hereunder, it is recognized that the members of the Committee are not employees of the Company and are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing, including in respect of auditor independence. Therefore, it is not the duty or responsibility of the Committee to conduct "field work" or other types of auditing or accounting reviews or procedures or to set audit or independence standards, and each member of the Committee shall be entitled to rely on:

- (i) the integrity and skill of those persons and organizations within and outside the Company from which it receives information; and
- (ii) the accuracy of the financial and other information provided by such persons or organizations absent actual knowledge to the contrary.

Each member of the Committee as well as the Chairperson will be paid the fee set by the Board for his or her services as a member, or Chairperson, as the case may be, of the Committee. Subject to the Company's Corporate Governance Guidelines and other policies, Committee

members, including the Chairperson, will be reimbursed by the Company for all reasonable expenses incurred in connection with their duties as Committee members or as Chairperson.

## VII. POSTING REQUIREMENT

The Company will make this Charter available on or through the Company's website as required by applicable rules and regulations. In addition, the Company will disclose in its proxy statement for its annual meeting of stockholders or in its annual report on Form 10-K, as applicable, that a copy of this Charter is available on the Company's website and provide the website address.

\* \* \*

*While the Committee members have the duties and responsibilities set forth in this Charter, nothing contained in this Charter is intended to create, or should be construed as creating, any responsibility or liability of the Committee members, except to the extent otherwise provided under applicable federal or state law. Further, nothing in this Charter is intended to preclude or impair the protection provided in Section 141(e) of the Delaware General Corporation Law for good faith reliance by Committee members on reports or other information provided by others.*
